

Managing Multiculturalism In Substance Abuse Services

Bachelor in Counselling and Guidance (Hons)

KPI/IPS 1.9/762/6/0021 04/20

ABOUT THE PROGRAMME

A career in counselling revolves around guiding and encouraging individuals to manage changes in their lives in accomplishing mental health, wellness, career and personal goals. The curriculum of the MSU honours degree programme in counselling and guidance factors the realities of local culture and moral values in helping relationships, equipping you for multicultural counselling, drug abuse counselling, and industrial counselling.

The emphasis given to your formative and summative assessments and regular feedback from your lecturers will ensure that you have a sound foundation in this discipline. The two practicum experiences in this programme are focused on giving you the most exposure in counselling in various environments ranging from schools to hospitals and organizations.
