

# Pharmacy Benefit Managers, 2006

## PBM Market Share, by Total Equivalent Prescription Claims Managed, 2017

1. Excludes claims processed by Aetna. For 2017, CVS Health changed its publicly reported computation of equivalent prescription claims filled in network pharmacies.

2. Figure excludes cash pay prescriptions that use a discount card processed by one of the 7 PBMs shown on the chart.

Source: Drug Channels Institute research and estimates. Total equivalent prescription claims includes claims at a PBM's network pharmacies plus prescriptions filled by a PBM's mail and specialty pharmacies. Includes discount card claims. Note that figures may not be comparable with those of previous reports due to changes in publicly reported figures of equivalent prescription claims. Total may not sum due to rounding.
