

# Tora Thurston: The History Of A Norwegian Pioneer

*Artist's rendering of Tora Thurston as a young man.*

*Only one photograph of Tora Thurston is known to exist. It was taken in about 1872 when Tora was in his fifties, and shows him indistinctly as part of a family group. (The family group photo is reproduced on page 183 of this book.) This is artist Paul Belsito's depiction of what Tora may have looked like in his early thirties, when the young Norwegian immigrant's life underwent profound and lasting changes. (Please see pages xiv-xv of the Preface for more on the genesis of this drawing.)*
