

# A Brief Introduction To Hinduism: Religion, Philosophy, And Ways Of Liberation

Hindu way of life means living like an aspect or manifestation of God and perform His duties upon earth for the order and regularity of the world as if they are your own. It means stepping into His role and be God like in your conduct, following His example and living selflessly performing your actions as an offering without desiring their fruit. Karma arises when people forget God or ignore Him and selfishly live for their own ends. The Incarnation of Rama is an epic representation of this fundamental aspect of Hindu Dharma.
