

The Survival Of Human Consciousness: Essays On The Possibility Of Life After Death

Birth movement

"The Amish have a distinctive culture. Do their beliefs and values lead to a better way of life than our own?"

Did you know that the Amish when they are in a relationship would flourish? This means to sleep with your partner (Amish, I know, in the case I will be trying to find out if the Amish way of life leads to a better way of life than our own.

The Amish can trace their religious heritage back to the Swiss Anabaptists during 16th century Europe. During this time Europe as a continent was undergoing a major religious change, which eventually led to a change (transition) in the church. Before the Amish in the church in the 16th century the Catholic Church was the only Christian faith practiced in Western Europe. One of the reasons for this was because of the rigidity of the monarchy at the time. The Pope in charge ruled Martin Luther led a revolt against the Catholic Church and Henry VIII tried to reform Protestantism over England, this was commonly known as the Church of England. The revolt led by Martin Luther caused a schism of the Protestant religion, this caused Protestantism to be a less formal Christianity.

While the Protestant religion there were a group of Swiss Protestant people who were unhappy because they were so much like the original Catholic Church, especially the restrictions of baptism infants. The reason they disagreed with baptism infants was because they believed that it was wrong to baptize someone who wasn't mature enough to make the decision themselves. In 1525 they left the main Protestant groups and formed the Anabaptists. The Anabaptists would go to people houses and rebaptize them. This is where the name Anabaptists comes from (re-baptism). The Anabaptists movement spread throughout Europe, especially in Germany and Holland, but they were persecuted for their beliefs.

The leader of the Anabaptists in Alsace founded the Amish, his name was Jacob Amoson. The reason the Amish split from the Anabaptists was because non-essential members were only men (not all the church), but Jacob Amoson wanted those who were not essential to be as well. They split from the Anabaptists in 1693, the Amish were continually persecuted for their beliefs so they were forced to move to North America in search of a new home.

The Amish have a very distinctive culture, this can be seen by looking at the many different aspects of their culture one of these includes the way they dress. The Amish retained their dress styles that were common during the 16th and
