

Nativism And Slavery: The Northern Know Nothings And The Politics Of The 1850s

AMERICAN CITIZENS!
 We appeal to you in all calms. Is it not time to pause? Already the agencies of our dearest institutions, like the foreign spies in the Trojan horse of old, are within our gates. They are disgorging themselves upon us, at the rate of HUNDREDS OF THOUSANDS EVERY YEAR! They aim at nothing short of conquest and supremacy over us.

A PAPER ENTITLED THE

AMERICAN PATRIOT

IN FAVOR OF
 The protection of American Mechanics against Foreign Pauper Labor.
 Foreigners having a residence in the country of 21 years before voting.
 Our present Free School System.
 Carrying out the laws of the State, as regards sending back Foreign Paupers and Criminals.

 To secret Foreign Orders in the U. S.

We are burdened with enormous taxes by foreigners. We are corrupted in the morals of our youth. We are interfered with in our government. We are forced into collisions with other nations. We are tampered with in our religion. We are injured in our labor. We are assailed in our freedom of speech.
